Standing Rules

STANDING RULE 1 – JCDCC Monthly Meetings

A. Meeting agenda

Every attempt will be made for even months of the year (February, April, etc.) to be business meetings where Standing and Special Committees can meet at length. Odd months (January, March, etc.) will be dedicated to a specific topic with a speaker. At these meetings, little if any business will be conducted.

B. Parliamentarian

If a Parliamentarian is not available, the JCDCC will encourage and facilitate training of a parliamentarian.

STANDING RULE 2 – Endorsement of Candidates

A. Timing of Endorsements

1. The first meeting in which JCDCC endorsements will be granted should be held before the deadline for candidates to submit their county voter's pamphlet statement. Endorsements may also be granted at regular Central Committee meetings after this deadline, with appropriate notice, but the intent is that the majority of endorsement votes will be held before the county voters' pamphlet statement submission deadline.

Based on the timing of the filing deadline and the Voters' Pamphlet Deadline, the Executive Committee will have the flexibility to change the date of, amend the agenda of, or add an additional Central Committee meeting providing that required notice is given.

2. The date of the first endorsement meeting must be set at least 10 days in advance, unless otherwise decided by the Josephine County Democrats Executive Committee.
3. Alternatively, a candidate may be given support by a simple majority of the Josephine County Democrats Executive Committee, if given consent by the candidate to use their information, which is limited to:
 - a. Written or spoken advocacy of the candidate;
 - b. Physical and electronic distribution of the candidate's information, including name, their photo, relative experience, and other identifying information;
 - c. and distribution of the candidate's or measure committee's prepared materials (e.g., postcards, letters, pamphlets, etc.)

B. Information about Candidates

1. Each candidate must submit to the JCDCC an application for endorsement, the format and time of which will be determined by the Campaign Committee and approved by the Executive Committee
2. Candidates are allowed to distribute informational literature to Precinct Committee persons at the Central Committee meeting.
3. Each candidate requesting endorsement will be allotted a reasonable time to speak and answer questions before voting occurs, but not less than three minutes and not more than ten, depending upon the time available for other agenda items and the number of candidates

requesting endorsement. The determination of the amount of time available for the candidate presentation portion of the meeting within these limits will be made by the Campaign Committee.

C. Discussion

After each candidate in a particular race has spoken and taken questions, the floor will be open for discussion by PCPs. PCPs may speak in favor of endorsing one candidate or multiple candidates, or in favor of no endorsement in the race. Remarks are limited to one minute per PCP.

D. Voting

1. If more than one Democratic candidate is seeking election to an office, a motion will be made in order to “endorse all Democrats, endorse Democrats individually, or make no endorsement.” The motion will be considered by voice vote with a simple majority of PCPs required to pass the motion, with the exception of non-Democratic candidates which require a two-thirds majority vote to pass the motion.
2. If a motion is made to endorse Democrats individually, each candidate requesting endorsement in a race will be listed on a ballot, along with an option for “No Endorsement” (e.g., Candidate A, Candidate B, No Endorsement). PCPs may vote for one candidate, multiple candidates, or for the option of “No Endorsement” (e.g., may vote to endorse Candidate A only, to endorse Candidate B only, to endorse both candidates, or to endorse neither candidate). Any candidate meeting the simple majority threshold (as specified in the bylaws) will be granted endorsement. Multiple endorsements in a single race are allowed. If no candidate receives a simple majority, no endorsement is granted in that race.
3. If the outcome of the voice vote is not clear, or if a Central Committee member objects to the determination of outcome, then subsequent voting will be done by secret ballot.
4. If the candidate seeking the JCDCC endorsement is the only Democrat in the race, voting will be held by voice vote unless a motion is made to hold voting by division voting, with a simple majority of PCPs required to pass the motion.

E. Terms of Endorsement

1. Candidates who receive the endorsement of the JCDCC will agree to non-binding mediation regarding issues of conflict in their races when requested to do so by the Chair and approved by the Executive Committee, subject to override by the Central Committee by majority vote at the next regularly scheduled meeting.
2. Candidates who receive the endorsement of the JCDCC acknowledge that the JCDCC may promote its endorsed candidates by name, photograph, and other identifying information in JCDCC campaign materials and/or during campaign events.

1. The Campaign Committee shall receive requests for endorsement of or opposition to ballot measures and may vote to make a recommendation to the Central Committee either for or against the measure.
2. If the Campaign Committee recommends endorsement of or opposition to a ballot measure, the Committee may report such a motion for consideration by the Central Committee—otherwise, motions to support or oppose may be taken from the floor.

B. Information about Measures

Any representatives of a campaign for or against a ballot measure shall have a reasonable time to speak and answer questions before voting occurs, but not less than two minutes and not greater than 10, depending upon the time available for other agenda items and the number of measures up for endorsement. The determination of the amount of time available for the measure presentation portion of the meeting, within these limits, will be made by the Campaign Committee Chair.

C. Discussion

After speeches and questions for both sides of a measure are heard, an equal number of PCP's may speak for and against said measure by forming two lines on opposite sides of the room. Each PCP will have one minute to speak.

D. Voting

1. For each ballot measure for which an endorsement or opposition is requested, a motion will be in order to either “endorse the measure” or “oppose the measure”. The motion will be considered by voice vote with a two-thirds majority of PCPs required to pass the motion.
2. If the outcome of the voice vote is not clear, or if a Central Committee member objects to the determination of outcome, then subsequent voting will be done by division voting.
